Thank you for logging on to the Auburndale Police Department's web site. I am proud of our agency and the quality of services we strive to provide our citizens. It gives me great pleasure to represent the men and women of the Auburndale Police Department. I have a deep respect and admiration for our members, and I am honored to be serving along side of them.

The mission of the Auburndale Police Department is to provide professional police services. We are diligent to ensure that our efforts are directed toward the successful delivery of these services. We believe that our level of success is based upon our ability to form partnerships with those within our communities. Therefore, we encourage you to contact us and offer suggestions on how we can improve our services.

Perhaps you will consider attending our Citizens Police Academy where you will have the opportunity to meet and interact with many of the officers and members of the Auburndale Police Department. The academy has been a tremendous mechanism in which relationships have been established. You can learn more about the Academy through this site.

Please consider this my personal invitation for you to stop by and visit us at the department. I would welcome the opportunity to show you around and tell you more about our agency.

*W. Nolan McLeod*

Chief of Police

*Professional Police Service*
