

Minutes of the Regular Meeting of the City Commission of the City of Auburndale held January 7, 2019 at 7:00 p.m. in the Commission Room of City Hall, after having been properly advertised, with the following members present: Mayor Tim Pospichal, Commissioners: Dorothea Taylor Bogert, Keith Cowie, Richard Hamann, and Bill Sterling. Also present were: City Manager Robert R. Green, Finance Director/City Clerk Shirley Lowrance, City Attorney V. Patton Kee, and Sergeant Tom Lokietek.

Mayor Tim Pospichal declared a quorum present and the Meeting was opened with prayer by Pastor Tom Johnson of First Baptist Church and a salute to the flag.

Motion by Commissioner Dorothea Taylor Bogert, seconded by Commissioner Richard Hamann, to approve the City Commission Minutes of the December 17, 2018 Meeting. Upon vote, all ayes.

City Manager Green said we have a Proclamation for the Agricultural and Labor Program and the recipient of the Proclamation is trying to make both the Auburndale and Lake Alfred Commission Meetings this evening.

City Attorney Kee read the Proclamation for the Agricultural and Labor Program, Inc. 51ST Anniversary Day – January 26, 2019.

Mayor Tim Pospichal presented the Proclamation.

Al Miller, Deputy Director Agriculture and Labor Program Incorporated, thanked the Commission for the Proclamation on behalf of the Board of Directors. He said Delores Johnson is retiring as CEO after 30 years and is working concurrently with Arlene Dobison who official starting as CEO in January. He said they have always had a good relationship with Auburndale over the years. He said the kids at the New Horizon apartments love their playground equipment. He said in the last 12 months ending August 31, they have provided over 240 units of home energy by providing service for over 200 families totaling over \$78,000 in assistance to utility companies for citizens of the City of Auburndale.

City Manager Green said the Chamber Annual Dinner is on January 15th at 7 p.m. and social at 6 p.m. in the Civic Center. He said tomorrow the Board of County Commission has the Pace Road warehouse matter on their Agenda, as the second matter at 1:30 p.m. He said Agenda item #8 provides for the 2019 Committee appointments. Several months back after he and the City Attorney were made aware of the one Planning Commissioner member that had the ethics violation filed against him, they started talking. The City Attorney had several good suggestions and one was that the Planning Commission along with all the committees go through some type of ethics training. He said he thought this was a grand idea. It was also suggested that at the beginning of their Meetings there would be a reminder from staff or the Chair to ask everyone to please review the agenda before we get into it to determine if anyone may have a conflict.

City Attorney Kee said they have been engaged in ongoing discussions on what to do and how to improve the situation with the Planning Commission and how to prevent anything from happening like this again. He said we want to assure that each member recognizes the statutory requirements and the City Charter requirements. He said one difference between the Planning Commission and the City Commission is that the Statute allows the Planning Commission to participate in a discussion so long as they make it known and clearly known and expounded upon. This was one thing the Ethics Commission stressed – how much detail needed to be gone into regarding the exact nature of the conflict or what appeared to be a conflict. He said one of the things they are considering is whether or not there should be any participation at all from the Planning Commission, if there is a conflict. For the City Commission, the Commissioner would explain the conflict and recuse themselves from voting. Under the Statute, the Planning Commissioner would be able to participate so long as they announced in advanced their conflict and explained to everyone. We are discussing whether or not this is helpful or hindering to the other Planning Commissioners and also if they wanted to ask a question of that particular member, how he would respond.

City Manager Green said we have also reached out to the Florida League of Cities University and Lynn Tipton. Community Development Director Amy Palmer has set up and we hope to bring in all the Boards for ethics training in February. He said the statutory requirements for the elected officials is four hours per year. In the City Manager's Association, they have the four-hour requirement and the Planning Association have their requirements. He said there is no statutory requirement for any of the lay boards and we think by doing this, we will get ahead of that curve. He said this is something we are putting into place.

Mayor Tim Pospichal asked for citizen comment. There was no citizen comment.

1. ORDINANCE NO. 1580 AMENDING FUTURE LAND USE MAP – BERKLEY RANCH PHASE 2

City Manager Green said Agenda item #1 and #2 are for second and final reading. Ordinance No. 1580 amends the City's Future Land Use Map on the Berkley Ranch property. It changes the Future Land use from the current Polk County Residential Low-4X and Preservation-X to the City of Auburndale's Future Land Use of Low Density Residential. The proposed land use designations are consistent with surrounding development including Phase 1 of the subdivision, the City's Land Development Regulations, Comprehensive Plan, and the Joint Planning Agreement with Polk County. As a result of the annexation of the adjacent property of Phase 1 into the Auburndale City limits, the proposed land use designation was transmitted to the Florida Department of Economic Opportunity (DEO) for compliance review. The City has received notice from the State of no comments or objections to the Amendment from all the agencies that reviewed the request. Staff recommended approval of the Ordinance establishing the Land Use designation. The Planning Commission approved of the Map Amendments with the recommendation of the roadway extension between Phase 1 and Phase 2, with a vote of 6-0, at their meeting on October 2, 2018. The City Commission gave approval of the Ordinance on December 17 and the Ordinance is being presented for second and final reading.

City Attorney Kee read Ordinance No. 1580, which was presented and passed on first reading on December 17, 2018, by title only.

Mayor Tim Pospichal asked for citizen comment. There was no citizen comment.

Motion by Commissioner Keith Cowie, seconded by Commissioner Richard Hamann, to approve Ordinance No. 1580, as read on second reading by title only.

City Manager Green said this is on the Phase 2 of Berkley Ranch and is consistent with Phase 1, which was previously approved.

Upon vote, all ayes.

2. ORDINANCE NO. 1581 AMENDING OFFICIAL ZONING MAP – BERKLEY RANCH PHASE 2

City Manager Green said the planned City zoning on Phase 2 is Planned Development Housing 2 or PDH2. As required by Chapter 6 of the City's LDR's, the proposed PDH2 is accompanied by a binding site plan that demonstrates the appropriate buffering, set backs, open space and other requirements of the Land Development Regulations. This is for second and final reading. The Planning Commission recommendation was to approve the Phase 2 with the roadway extension between Phase 1 and Phase 2. Staff recommended approval.

City Attorney Kee read Ordinance No.1581, which was presented and passed on first reading on December 17, 2018, by title only.

Mayor Tim Pospichal asked for citizen comment. There was no citizen comment.

Motion by Commissioner Richard Hamann, seconded by Commissioner Dorothea Taylor Bogert, to approve Ordinance No. 1581, as read on second reading by title only. Upon vote, all ayes.

3. PUBLIC HEARING – LAND USE AND ZONING MAP AMENDMENTS – JULIANA VILLAGE

Mayor Tim Pospichal closed the Regular Commission meeting and opened the Public Hearing.

City Manager Green said the Public Hearing was for consideration of an amendment to Ordinance No. 752 the City's Comprehensive Plan and Ordinance No. 764 the City's Land Development Regulations.

Community Development Director Amy Palmer said the City has received a request for a Large-Scale Future Land Use Map Amendment and Zoning Map Amendment for the property owned by Walker Grove Land Partners, LLC, and located at SR559 and Cone Road across the street from Lake Juliana and the Sutton Place subdivision. The current use is residential on 90.24 acres and the current Polk County Future Land Use is Residential Low - 1X and Preservation- X. The property is located in the Green Swamp area of critical State concern. The proposed City Future Land Use is Low Density Residential-GS Conservation/Wetlands-GS and the proposed City zoning is Planned Development – Housing 1 (PD-H1). In June 2017, the Polk County Board of County Commissioners approved a 170-lot single-family residential subdivision on 90.24 acres located within the boundaries of the Green Swamp Area of Critical State Concern. All three phases of the Juliana Village Subdivision were approved by Polk County. In August 2018, the City annexed the total 90.24 acres. Phase 1 has been platted by the County, with new homes now under construction. Phases 2 and 3 will be platted by the City at a later date. As a result of annexation into the City limits, the subdivision was required to go through the City's Comprehensive Plan Large Scale Future Land Use and Zoning Map amendment process and then forwarded to the Florida Department of Economic Opportunity for compliance review. The proposed City Future Land Uses of Low Density Residential-GS and Conservation/Wetlands-GS are consistent with the Polk County Future Land Uses of Residential Low -1X and Preservation-X, which are currently applied to the property. The proposed Land Use is also consistent with surrounding development, the City's Land Development Regulations, Comprehensive Plan, and the Joint Planning Agreement with Polk County. In December 2018, the Florida Department of Economic Opportunity issued a Response Letter that did not identify any objections or comments to the proposed Land Use Map Amendment. The proposed City Zoning of Planned Development – Housing 1 is consistent with the adjacent subdivision to the south, which is Sutton Place, and with the City's Land Development Regulations, Comprehensive Plan, and the Joint Planning Agreement with Polk County. The Planning Commission recommended approval of the Land Use Map Amendment and Zoning Map Amendment with a vote of 5-0, on October 2, 2018. Staff recommended approval. She displayed the property on the map and a map of the proposed 170-lot subdivision. She said Phase 1 was approved by Polk County and Phase 2 and 3 will come back to the City Commission for platting, at a later date.

Mayor Tim Pospichal asked for citizen comment. There was no citizen comment.

Mayor Tim Pospichal closed the Public Hearing and reopened the Regular Commission Meeting.

4. ORDINANCE NO. 1582 AMENDING FUTURE LAND USE MAP – JULIANA VILLAGE

City Manager Green said be mindful that we sent the Land Use Map Amendment to the State for a Compliance Review. We provided the Commission with a copy of the response. He said it has a very thorough review and we were very pleased with their no comments or no objection. He said the Ordinance revises the Future Land Use from Polk County Residential Low - 1X and Preservation-X to Low Density Residential-GS and Conservation/Wetlands-GS. Staff recommended approval.

City Attorney Kee read Ordinance No. 1582 entitled **AN ORDINANCE OF THE CITY OF AUBURNDALE,**

FLORIDA, AMENDING ORDINANCE NO. 752, THE COMPREHENSIVE PLAN OF THE CITY OF AUBURNDALE, FLORIDA, AMENDING THE FUTURE LAND USE MAP BY RECLASSIFYING PARCELS OF LAND TOTALING +/- 90.24 ACRES FROM POLK COUNTY FUTURE LAND USE MAP CLASSIFICATION OF RESIDENTIAL LOW-1X (RL-1X) AND PRESERVATION-X (PRESV-X) TO CITY OF AUBURNDALE FUTURE LAND CLASSIFICATION LOW DENSITY RESIDENTIAL-GS AND CONSERVATION/WETLANDS-GS; AND PROVIDING AN EFFECTIVE DATE (General Location: Hwy.559 and Cone Road), by title only.

Mayor Tim Pospichal asked for citizen comment. There was no citizen comment.

Motion by Commissioner Dorothea Taylor Bogert, seconded by Commissioner Richard Hamann, to approve Ordinance No. 1582, as read on first reading by title only.

Commissioner Bill Sterling said he remembered the discussion of four-foot sidewalks instead of 5 foot sidewalks for Phase 1. He asked about the sidewalks for Phase 2 and Phase 3 or if we were able to change anything.

Community Development Director Amy Palmer said the sidewalks were approved in Polk County, as four foot sidewalks. She said they checked with the engineer and she did not believe there was room in the right-of-way to extend that to five foot.

City Manager Green said you will see that as a zoning matter not a land use matter.

Commissioner Keith Cowie asked if they would see the layout of Phase 2 and Phase 3 before they are done. He said he had a question about some of the lots.

Community Development Director Amy Palmer said yes, they will be able to see the layouts individually.

Upon vote, all ayes.

5. ORDINANCE NO. 1583 AMENDING OFFICIAL ZONING MAP – JULIANA VILLAGE

City Manager Green said Ordinance No. 1583 proposes the Zoning as Planned Development- Housing 1. He said the subdivision would come with the binding site plan, as shown on the screen. If there were a change to this, it would come back as an amendment.

Commissioner Keith Cowie asked who would initiate an amendment.

Community Development Director Amy Palmer said the developer would be the one who may initiate an amendment.

Commissioner Keith Cowie said he had a question about the lot in the top left corner. He said there were two lots there and whoever gets the other lot will have their driveway run in front of the other house to get into their lot. He said this probably meets our development codes, but he has a problem with those type of lots in the layout and felt we should try to avoid them when possible.

Commissioner Richard Hamann asked where the retention was.

Community Development Director Amy Palmer said there may be some retention along the backside and a buffer to the wetlands. She said this is what was approved in Polk County under their plan development process and now that it is in the City and the developer is asking us to honor what was approved in the County. She said she and Commissioner Cowie have had discussion about these type of lots before.

Commissioner Keith Cowie said he brings this up because he feels in time it could cause City Staff problems with other issues that come along such as fences and activities that need permits. He said those type of lots are not the traditional and could cause issues for the City Staff.

City Manager Green said this was the outstanding reason for the Joint Planning Agreement. We have a County development that is platted and permitted in the County and then is brought into the City. He said Community Development Director Amy Palmer could touch base with the petitioner and bring the concerns before them to see if there was an opportunity for change before the second reading.

Commissioner Dorothea Taylor Bogert said when we talked about Phase 1, she thought that Phase was already confirmed for the sidewalk and that Phase 2 and Phase 3 would have the wider sidewalks.

Community Development Director Amy Palmer said they will have the four foot sidewalks; the same as in Phase 1.

City Manager Green said had they not got approval for the entire subdivision and just got Phase 1, we would have had the opportunity.

City Attorney Kee read Ordinance No. 1583, entitled: **AN ORDINANCE OF THE CITY OF AUBURNDALE, FLORIDA, AMENDING ORDINANCE NO. 764, THE LAND DEVELOPMENT REGULATIONS OF THE CITY OF AUBURNDALE, FLORIDA, BY AN AMENDMENT TO THE OFFICIAL ZONING MAP ESTABLISHING A CITY OF AUBURNDALE ZONING MAP CLASSIFICATION OF PLANNED DEVELOPMENT – HOUSING 1 (PD-H1) AND ON A PARCEL OF LAND TOTALING +/- 90.24 ACRES; AND PROVIDING AN EFFECTIVE DATE** (General Location: Hwy. 559 and Cone Road), by title only.

Mayor Tim Pospichal asked for citizen comment. There was no citizen comment.

Motion by Commissioner Bill Sterling, seconded by Commissioner Richard Hamann, to approve Ordinance No. 1583, as read on first reading by title only. Upon vote, all ayes.

6. ORDINANCE NO. 1584 ANNEXING PROPERTY INTO THE CITY LIMITS – BELL PROPERTY

City Manager Green said Agenda Item #6 and #7 run next to each other. The City has received a petition from Elton Bell and Vera Bell to annex 0.5 acres of property into the City limits. The property is located on U.S. Highway 92 and 2nd Street. The property is contiguous with existing City limits and adjacent property at 295 U.S. Highway 92, which is also owned by the petitioner. Annexation will allow the owner to combine the two properties, with one single property tax identification number. The annexation does not create an enclave. The property is currently vacant. He said the Head Property discussed in Ordinance No. 1585 is located to the north of this property and adjacent to the property. He said this does not create an enclave and actually, helps shrink an enclave in that area. The property currently has a Polk County Land Use designation of Linear Commercial Corridor on both annexations. Establishing a City Future Land Use and Zoning designations on both the properties will come to you at a later date. The action currently before the City Commission on Item #6 and Item #7 are only on the annexation of the property into the city. The proposed Ordinance was prepared by the Community Development Department and reviewed by the City Manager and City Attorney. If approved on first reading, the Ordinance will be presented for second and final reading on January 28, 2019. Staff recommended approval of both Ordinances.

City Attorney Kee read Ordinance No. 1584 entitled: **AN ORDINANCE EXTENDING THE CORPORATE LIMITS OF THE CITY OF AUBURNDALE, FLORIDA, SO AS TO INCLUDE THEREIN ADDITIONAL TERRITORY LYING CONTIGUOUS AND ADJACENT TO THE PRESENT BOUNDARIES OF THE CITY; DESCRIBING SAID ADDITIONAL TERRITORY; REPEALING ALL ORDINANCES IN CONFLICT HEREWITH; AND PROVIDING AN EFFECTIVE DATE** (General Location: Hwy. 92 and 2nd Street), by title only.

Mayor Tim Pospichal asked for citizen comment. There was no citizen comment.

Motion by Commissioner Keith Cowie, seconded by Commissioner Richard Hamann, to approve Ordinance No. 1584, as read on first reading by title only. Upon vote, all ayes.

7. ORDINANCE NO. 1585 ANNEXING PROPERTY INTO CITY LIMITS – HEAD PROPERTY

City Manager Green said staff recommended approval of the Ordinance.

City Attorney Kee read Ordinance No. 1585 entitled: **AN ORDINANCE EXTENDING THE CORPORATE LIMITS OF THE CITY OF AUBURNDALE, FLORIDA, SO AS TO INCLUDE THEREIN ADDITIONAL TERRITORY LYING CONTIGUOUS AND ADJACENT TO THE PRESENT BOUNDARIES OF THE CITY; DESCRIBING SAID ADDITIONAL TERRITORY; REPEALING ALL ORDINANCES IN CONFLICT HERewith; AND PROVIDING AN EFFECTIVE DATE** (General Location: Hwy. 92 and 2nd Street, 405 2nd Street), by title only.

Mayor Tim Pospichal asked for citizen comment. There was no citizen comment.

Motion by Commissioner Bill Sterling, seconded by Commissioner Dorothea Taylor Bogert, to approve Ordinance No. 1585, as read on first reading by title only. Upon vote, all ayes.

8. 2019 COMMITTEE APPOINTMENTS
