

Public Notice: City of Auburndale “The Lakes District” Presentation of the Community Input Report and Existing Conditions Report

The City of Auburndale will be hosting a presentation of The Lakes District Community Input Report and the Existing Conditions Report. This is for informational purposes only. The reports include the results from the community workshop held in late April. The reports also include the findings of the existing conditions of The Lakes District including existing land uses and permitted densities, future land use build-out scenarios, environmental features, transportation networks, and utility services. The City is undertaking The Lakes District Master Plan to provide a vision for this part of the City & County over the next 10 to 15 years. This Land Use and Vision Plan is intended to address growth within this gateway area including elements such as land use, traffic, infrastructure, and parks.

The presentation will provide an overview of the District and details of the Reports. The Reports will be used to create the Vision Plan. The presentation is for informational purposes only.

Meeting Date/Time: Monday, June 10 at 6:00 pm

Location: Auburndale Civic Center, 115 West Park Street, Auburndale
