August 1, 2022

Honorable Mayor, City Commission and Citizens  
City of Auburndale, Florida

Section 23.5 of the Charter of the City of Auburndale authorizes the City Manager to prepare and submit to the City Commission the annual budget and budget message. Approval of the annual budget is the most important responsibility of the City Commission. In accordance with the City Charter, it is with great honor to present for your review and consideration the Fiscal Year (FY) 2022-2023 and FY 2023-2024 Proposed Biennial Budgets.

During this recent period of historic growth, the City of Auburndale has continued to strive to meet the needs of our citizens with a focus on core services including public safety, infrastructure investment, and community and economic development. Significant additions to personnel, utility infrastructure capital improvements and community amenities highlight the proposed budgets to keep pace with the development of new housing and industry within the City. Quality of life for residents and businesses remains at the forefront in budget planning and preparation. This document represents months of work by dedicated staff and reflects revenue estimates and proposed expenditures based upon an ongoing review of operations.

I hope you find the following information helpful and explanatory as we continue the process of meeting our City's goals, and the statutory obligation of adopting a balanced budget.

# City Manager's Letter

## BUDGET PROCESS

Since 2005, the City of Auburndale has operated with a two-year budget process. The benefit of preparing a biennial budget provides the readers with additional information and understanding of the budget process and enables a blending of the City's planning and budgeting processes. As part of the process, two separate twelve-month budgets are prepared and approved by the City Commission. In September 2021, the City Commission adopted the current FY 2022 Annual Budget, as required by State Statutes. At the same time, the Commission also approved a budget for the second year, the planned FY 2023 Budget.

Now, the planned FY 2023 Budget has been reviewed and updated with necessary adjustments to revenues and expenditure in order to accommodate needs that have arisen, since the planned budget was prepared. At the same time and through numerous presentations before the City Commission, a new second-year budget has been prepared and is presented as the planned FY 2024 Budget.

Since 2010, City Staff started presenting the various sections of the proposed budgets at Regular Meetings before the City Commission in April or May. This initiative allows the elected officials and the general public greater opportunities to be informed and participate in the budget process, and in a timelier manner. This year the City Commission was presented the Payroll Sections on April 18, 2022; Capital Outlay on May 16, 2022; the Expense Section on June 20, 2022; and the Revenue Section on July 18, 2022.

Any changes to the proposed budget will be presented to the City Commission on August 15, 2022. Public Hearings on the proposed Budget and millage rate will be held on Thursday, September 8, 2022 and prior to final adoption on Tuesday, September 20, 2022.

## BUDGET SUMMARY

The Proposed Biennial Budget recommends a total spending level of \$72,275,056 in FY 2022-2023 (FY 2023) and \$67,903,069 in FY 2023-2024 (FY 2024). Due to outside funding sources including American Rescue Plan Act (ARPA) funding and the need to utilize sewer impact fees for various capital projects to accommodate commercial and residential growth development, the total FY 2022-2023 City Budget represents a 19.79% increase compared to the current fiscal year Adopted Budget. Examples include the Berkley Road Water Plant Expansion and the Gapway Road Waterline Extension Project; both utilizing ARPA funds and providing reliability in the water utility and the development of future alternative water supply. Property acquisition for a new effluent wastewater sprayfield and North Auburndale sewer upgrades are also funded in the proposed FY 2023 Budget with offsetting revenue utilizing previously collected sewer impact fees. These four (4) projects alone total an estimated \$11,400,000 in capital utility projects.

Revenue	=	Expenditures
FY 2022-2023: \$72,275,056		
FY 2023-2024: \$67,903,069

## BUDGET FUNDS

The City of Auburndale functions with five (5) funds to support the day-to-day operations of the City. The five (5) categories of Funds include the General Fund, the Community Redevelopment Agency Fund, the Public Utilities Fund, the General Impact Fee Fund, and the Public Utility Impact Fee Fund. In addition to the Proposed Biennial Budget being balanced, each individual fund is also being presented as balanced.

### GENERAL FUND

General Fund revenue sources include Taxes (including Franchise Fees), Licenses and Permits, Intergovernmental Revenue, Charges for Services, Fines and Miscellaneous Revenue. The General Fund proposed budget is \$23,915,033 for FY 2023 and \$35,557,333 for FY 2024, before the interfund transfer.

Recent numbers from the Polk County Property Appraiser's Office suggest that the gross taxable value of all property within the City limits increased 20.56% over the July 2021 estimate. This information allowed City Staff to recommend, and the City Commission approve 4.2515 as the proposed operating millage rate for the fifth straight year.

# City Manager's Letter

Auburndale has historically levied a low tax millage, or property tax, to help fund general government expenditures including Public Safety, Public Works, Parks and Recreation, the Public Library, Community Development and other General Fund activities. The current and proposed tax rate of 4.2515 mills represents one of the lowest municipal tax levies in Polk County and generates \$7,800,000, an increase of \$1,330,000 over the current year total ad valorem proceeds. The significant increase in ad valorem proceeds is as a result of the inflation in property values, annexations, and the continued growth in new commercial and residential construction within the incorporated City limits.

*A graph showing the rise in annual residential Certificates of Occupancy.*

To continue to meet the City's standard of delivering high-quality service as new businesses and residents move into the City, significant investments in personnel, infrastructure investments and additional park space is needed and has been programmed into the City's aggressive Five-Year Capital Improvements Plan (CIP). To accomplish those planned future capital expenditures, the budget maintains the City's conservative approach of setting aside reserve funds to be utilized as a future offset. The additional revenues generated by the increased ad valorem base will allow the City of Auburndale to maintain one of the lowest operating millage rates in Polk County into the future, while at the same time continuing a high level of customer service and quality of life for our citizens and businesses.

The General Fund proposed budget for FY 2023 includes \$800,000 of reserve funding as revenue coming into the budget from monies set aside in previous budget years to complete various projects. In addition, \$1,570,000 of reserve funding is allocated as an expense, or reserve funding to complete various projects in the future. A large of portion of the reserve funding being set aside is for the redevelopment of Lake Ariana Park including the relocation of the Civic Center in the planned FY 2024 Budget year. The majority of other General Fund revenue sources have returned to and are exceeding pre-pandemic values. Parks and Recreation facility rental and program revenues have stabilized.

# City Manager's Letter

*Left: Fire Department Tanker Truck. Top-right: Police Department cruiser. Bottom-right: Sanitation Division truck.*

The largest General Fund expenditures within the various departments in FY 2023 include the purchase of property at 6 Bobby Green Plaza for \$1,260,000, street and cemetery road resurfacing totaling \$810,000, and the purchase of various vehicles including a replacement tanker truck for the Fire Department at \$345,000, seven (7) new vehicles in the Police Department at \$313,500, and a new garbage truck at \$312,000 to add an additional route to accommodate the growth in residential sanitation collection.

The largest General Fund expenditure in FY 2024 is the redevelopment of Lake Ariana Park including the construction of a new Civic Center estimated at a total cost of \$16,000,000 with \$3,500,000 in funding from the Community Redevelopment Agency (CRA) and \$1,000,000 in reserve funding.

*Aerial view of Lake Ariana Park.*

# City Manager's Letter

## COMMUNITY REDEVELOPMENT AGENCY FUND

The Auburndale Community Redevelopment Agency (CRA) was created in February, 1992. The CRA was created to develop and implement a Community Redevelopment Plan to redevelop, rehabilitate, and conserve its Community Redevelopment Agency district. The time certain for completing the planned projects of the CRA Plan was twenty (20) years, or through 2012. Florida Statutes were amended in 2002 to allow extension of the term. The Auburndale Community Redevelopment Agency Board voted in May 2005 to amend the Plan to extend the time certain to complete all redevelopment financed by increment revenues to thirty (30) years from adoption of the amendment, or through 2035.

The CRA Fund also benefits from increased activities and increased property values within the CRA District. The Community Redevelopment Agency Fund proposed budget is balanced at \$1,651,400. The proposed budgets allocate \$1,021,687 in new increment funding from Polk County and \$629,613 from the City of Auburndale.

The Proposed Biennial Budget provides \$1,000,000 in FY 2023 for the design of a new Civic Center at Lake Ariana Park and \$2,500,000 in reserve funding to assist the City in the construction of the Civic Center in FY 2024.

The Community Redevelopment Agency Board gave approval to the proposed CRA Budget on May 16, 2022.

*Conceptual plan for Lake Ariana Park, including location of the new Civic Center.*

# City Manager's Letter

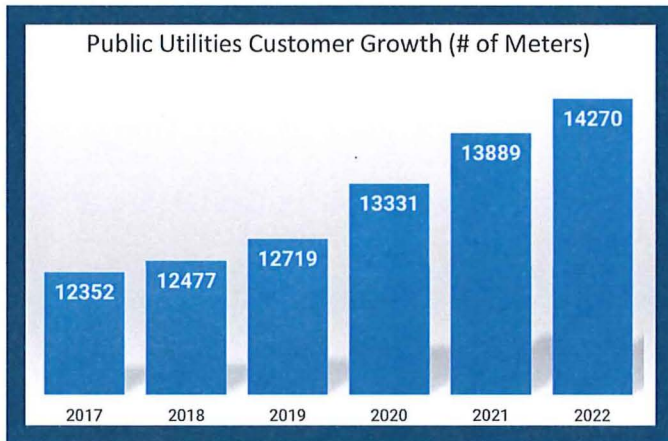

## PUBLIC UTILITIES FUND (ENTERPRISE FUND)

The Public Utilities Fund accounts for the activities associated with providing potable water and sewer collection, treatment and disposal services to area residents and businesses. The Public Utilities Fund derives its revenue from fees collected to address the operating and capital needs of our municipal utility services and to maintain the financial stability of the system.

The Public Utilities Fund proposed budget is \$30,217,409 not including the inter-fund transfer to the City's General Fund, needed for balancing. The inter-fund transfer proposed in the FY 2023 Budget is \$3,133,813.

The largest expenditures within the Public Utilities Department in FY 2023 are \$5,000,000 to purchase property for additional effluent wastewater sprayfield property, \$4,200,000 to complete the Berkley Road Water Plant Expansion, \$1,200,000 to complete a water line extension across Gapway Road, and \$1,000,000 to make sewer line and lift station upgrades in the North

Auburndale area as a result of experienced growth. \$1,000,000 is budgeted in FY 2024 for the construction of a new sprayfield to add additional discharge capacity of effluent wastewater for the Regional Wastewater Treatment Plant.

*A graph showing the growth of Public Utility customers by the increase of installed meters.*

*Locations of existing units and new additions to Berkley Water Plant.*

# City Manager's Letter

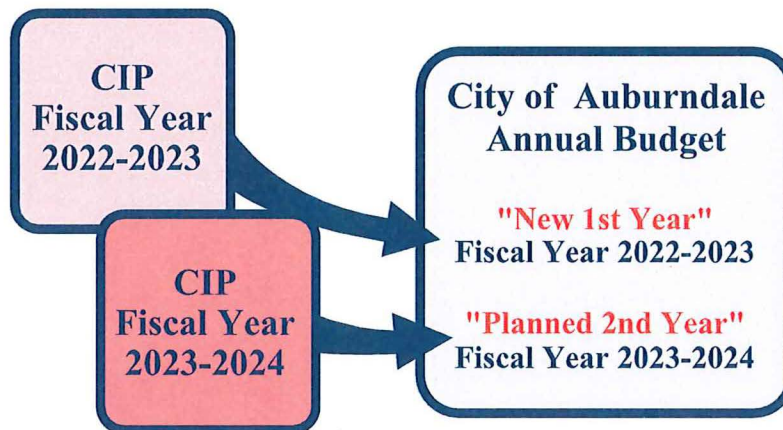

## **GENERAL IMPACT FEE AND PUBLIC UTILITY IMPACT FEE FUNDS**

The General Fund Impact Fee Fund is projected in FY 2023 to generate \$288,000 in Fire Impact Fees, \$209,000 in Police Impact Fees, and \$313,000 in Recreation Impact Fees. These dollars are used to offset eligible expenses in each of these departments, or placed in reserves for future expenses.

The Public Utility Impact Fee Fund is projected in FY 2023 to generate \$1,131,000 in Water Impact Fees, \$3,371,000 in Sewer Impact Fees, and \$23,000 in Fire Sprinkler Impact Fees. These dollars are all used to help offset and pay debt service.

## **FIVE-YEAR CAPITAL IMPROVEMENT PLAN**

One of the more important and underlying reasons for the two-year budget process is that City Staff and the City Commission can give more attention to future community needs and to look at how resources will be allocated to meet those needs. One of the tools used to meet this need is integrating the two-year budget process with the Five-Year Capital Improvement Plan (CIP). This allows for the blending of the City's more aggressive planning process with a more stable and consistent budget process.

In the same Ordinance that the City Commission will adopt the Biennial Budget, the Commission will also be adopting a revised Five-Year Capital Improvement Plan. The City of Auburndale maintains an aggressive capital improvement program targeted to improve aging or inadequate infrastructure, redevelopment needs, and for enhanced recreation facilities. Many of the projects in the City's Five-Year CIP are multi-year programs that begin in one year and continue construction, or completion into future fiscal years.

All projects in the first two years of the CIP are incorporated into the proposed Biennial Budget.

# City Manager's Letter

## PERSONNEL IMPACTS

The Payroll Section of the Budget provides the necessary funding for staffing levels to adequately deliver an accepted level of service to our citizens. In addition to salaries, the Payroll Section provides incentive funding for certifications and education, longevity pay, and automatic adjustments for employees completing the one-year probationary period and completing four, six, and eight years of service. The proposed budgets provide a 3% cost of living adjustment (COLA) for all City employees in FY 2023 and no COLA in FY 2024.

The proposed FY 2023 Payroll Budget operates with a staffing level of 198 full and part-time employees, an increase of fifteen (15) full-time employees and two (2) part-time employees above the current year budget. Eight (8) of the new positions are as a result of the loss of four (4) squads of inmates contracted through the Florida Department of Corrections as a result of the COVID-19 pandemic and issues related to the staffing of Correctional Officers overseeing the crews. While the City remains optimistic that in the future the four (4) squads totaling approximately twenty (20) laborers will return, the need to maintain the crew's responsibilities has strained resources throughout the Parks and Recreation, Public Works, and Public Utility Departments. The proposed new positions include:

- . 8 – Various Departments: Service Worker II (Replaces loss of 4 Inmate Crews)
- . 1 – Fire Department: Firefighter
- . 1 – Fire Department: Reclassify Extra Help Office Assistant to Part-Time
- . 1 – Police Department: Police Officer
- . 1 – Police Department: Code Enforcement Officer Part-Time
- . 2 – Public Works: New Sanitation Route Positions - Service Worker III (Driver)  
& Service Worker II
- . 1 – Public Utilities: Deputy Utilities Director
- . 1 – Public Utilities: Split Approved Full-Time Utility Clerk position into 2 Part-Time Utility Clerk positions
- . 1 – Public Utilities: Service Worker III (Utility Locates)

The proposed FY 2023 Payroll Budget also reflects reclassifying a Corporal position in the Police Department to Sergeant, and reclassifying the IT Manager to IT Director.

# City Manager's Letter

The conceptual FY 2024 Payroll Budget proposes an increase of six (6) full-time employees. The proposed new positions include:

- . 2 – Fire Department: Firefighters
- . 1 – Police Department: Police Officer
- . 1 – Public Works: Service Worker III (Sanitation Claw Driver)
- . 1 – Parks & Recreation: Service Worker II (Lake Myrtle for Event Lake)
- . 1 – Public Utilities: Service Worker III (Lift Station Technician)

The proposed FY 2024 Payroll Budget also reflects reclassifying a Code Enforcement part-time position to full-time in the Police Department.

*Police Department officer accessing a laptop.*

# City Manager's Letter

In April 2022, following the presentation of the Payroll section of the proposed FY 2023 Budget, the City Commission gave tentative approval to a 3% Cost of Living Adjustment (COLA) for all employees. The City Commission was also presented the conclusions of the 2022 Pay Study prepared by Creative Insights and USF Professor John Daly. The study suggests that the City's approach for offering market competitive pay (as compared to cities based on size and similarity) to City employees reflected favorably and is effective. It was also noted and highlighted several positions in the Police Department and the Fire Department that were approaching the City's threshold for consideration of an additional salary adjustment. Staff proposed and the City Commission tentatively approved increasing the Pay Grade of those positions resulting in an additional 6% increase in salary. In all, fifty-eight (58) Public Safety employees, including all firefighter and police officer positions, will benefit from these adjustments. These pre-emptive steps are necessary and were taken to help in the retention and recruitment of our outstanding employees and were identified as needed in the 2022 Pay Study.

Total payroll including FICA and miscellaneous certificate and education pay in FY 2022-2023 equals \$11.4 million dollars.

During the planning process of the two-year budget, City Staff projects a 10% increase in health insurance premium costs for each year. The City was recently notified that due to claim history over the past year, a 9.5% increase will take effect in FY 2023. Total health insurance costs in FY 2023 are projected at \$1,792,287.

## CONCLUSION

As noted in budget discussions, planning for future growth has taken precedence throughout all of the City Departments moving forward with the understanding that additional service demands will be required. Significant investments by the City of Auburndale and the Polk County Board of County Commissioners were made in the current fiscal year at the Lake Myrtle Sports Complex with the construction of the Multi-purpose Stadium and Event Lake adding additional recreational amenities for our citizens and visitors.

# City Manager's Letter

The Lakes District planning initiative has been implemented and the City has partnered with the County to complete a Transportation Master Plan to study traffic patterns and major intersections to guide our organizations in mobility planning in addressing needed roadway and pedestrian improvements. Future large capital improvements such as the redevelopment of Lake Ariana Park, the purchase of additional cemetery and passive park space, and a North Auburndale Fire Station are on the horizon to accommodate the additional demands as we continue to create improvements in providing services, amenities, and an exceptional quality of life for our residents and businesses.

It is my pleasure to present to you the City of Auburndale spending plan for the next two years. I would like to thank all the City employees for the outstanding job they do everyday. My special thanks to the Department Directors and Division Heads for maintaining and improving the level of service delivery year after year while holding total expenditures in check with projected revenues. I would also like to thank the City Commission for the honor of serving as the City Manager for the City of Auburndale.

Respectfully submitted,

Jeffrey E. Tillman  
City Manager
