Honorable Mayor, City Commission and Citizens  
City of Auburndale, Florida

Section 23.5 of the Charter of the City Auburndale authorizes the City Manager to prepare and submit to the City Commission the annual budget and budget message. Approval of the annual budget is the most important responsibility of the City Commission. In accordance with the City Charter, it is with great honor to present for your review and consideration the Fiscal Year (FY) 2023-2024 and FY 2024-2025 Proposed Biennial Budgets.

During this recent period of historic growth, the City of Auburndale has continued to strive to meet the needs of our citizens with a focus on core services including public safety, infrastructure investment, and community and economic development. Significant additions to personnel, utility infrastructure capital improvements and community amenities highlight the proposed budgets to keep pace with the development of new housing and industry within the City. Quality of life for residents and businesses remains at the forefront in budget planning and preparation. This document represents months of work by dedicated staff and reflects revenue estimates and proposed expenditures based upon an ongoing review of operations.

I hope you find the following information helpful and explanatory as we continue the process of meeting our City's goals, and the statutory obligation of adopting a balanced budget.

# City Manager's Letter

## BUDGET PROCESS

Since 2005, the City of Auburndale has operated with a two-year budget process. The benefit of preparing a biennial budget provides the readers with additional information and understanding of the budget process and enables a blending of the City's planning and budgeting processes. As part of the process, two separate twelve-month budgets are prepared and approved by the City Commission. In September 2022, the City Commission adopted the current FY 2023 Annual Budget, as required by State Statutes. At the same time, the Commission also approved a budget for the second year, the planned FY 2024 Budget.

Now, the planned FY 2024 Budget has been reviewed and updated with necessary adjustments to revenues and expenditures in order to accommodate needs that have arisen, since the planned budget was prepared. At the same time and through numerous presentations before the City Commission, a new second-year budget has been prepared and is presented as the planned FY 2025 Budget.

Since 2010, City Staff started presenting the various sections of the proposed budgets at Regular Meetings before the City Commission in April or May. This initiative allows the elected officials and the general public greater opportunities to be informed and participate in the budget process, and in a timelier manner. This year the City Commission was presented the Payroll Sections on May 1, 2023; Capital Outlay on May 15, 2023; the Expense Section on June 19, 2023; and the Revenue Section on July 24, 2023.

Any changes to the proposed budget will be presented to the City Commission on August 21, 2023. Public Hearings on the proposed Budget and millage rate will be held on Thursday, September 7, 2023 and prior to final adoption on Tuesday, September 19, 2023.

# City Manager's Letter

## BUDGET SUMMARY

The Proposed Biennial Budget recommends a total spending level of \$89,013,352 in FY 2023-2024 (FY 2024) and \$69,730,938 in FY 2024-2025 (FY 2025). Due to outside funding sources including American Rescue Plan Act (ARPA) funding, General Fund debt for capital projects, and the need to utilize water and sewer impact fees for various capital projects to accommodate commercial and residential growth development, the total FY 2023-2024 City Budget represents a 20.91% increase compared to the current fiscal year Adopted Budget. Examples include the Berkley Road Water Plant Expansion, Pace Road Master Lift Station, Gapway Force Main, Northern Force Main, Southern Force Main Reroute and Hickory Road Sprayfield Construction in the Public Utilities Fund to provide reliability and capacity in the water and wastewater utilities in preparation of future development. The relocation of the Civic Center to Lake Ariana Park is also funded in the proposed FY 2024 Budget with offsetting revenue utilizing Community Redevelopment Agency funding, General Fund reserve funding, and debt service. These projects alone total an estimated \$27,360,000 in capital projects in the FY 2024 Budget.

Revenue	=	Expenditures
FY 2023-2024: \$89,013,352		
FY 2024-2025: \$69,730,938

## BUDGET FUNDS

The City of Auburndale functions with five (5) funds to support the day-to-day operations of the City. The five (5) categories of Funds include the General Fund, the Community Redevelopment Agency Fund, the Public Utilities Fund, the General Impact Fee Fund, and the Public Utility Impact Fee Fund. In addition to the Proposed Biennial Budget being balanced, each individual fund is also balanced.

### GENERAL FUND

General Fund revenue sources include Taxes (including Franchise Fees), Licenses and Permits, Intergovernmental Revenue, Charges for Services, Fines and Miscellaneous Revenue. The General Fund proposed budget is \$29,724,580 for FY 2024 and \$35,753,717 for FY 2025, before the interfund transfer.

Recent numbers from the Polk County Property Appraiser's Office suggest that the gross taxable value of all property within the City limits increased 16.55% over the July 2022 estimate. This information allowed City Staff to recommend, and the City Commission approve 4.2515 as the proposed operating millage rate for the sixth straight year.

*A column graph comparing millage rates of municipalities in Polk County from 2017 to 2022.*

# City Manager's Letter

Auburndale has historically levied a low tax millage, or property tax, to help fund general government expenditures including Public Safety, Public Works, Parks and Recreation, the Public Library, Community Development and other General Fund activities. The current and proposed tax rate of 4.2515 mills represents the lowest municipal tax levy in Polk County and generates \$9,030,000, an increase of \$1,290,000 over the current year total ad valorem proceeds. The significant increase in ad valorem proceeds is as a result of the inflation in property values, annexations, and the continued growth in new commercial and residential construction within the incorporated City limits.

*The new Commission Room in City Hall.*

To continue to meet the City's standard of delivering high-quality service as new businesses and residents move into the City, significant investments in personnel, infrastructure and park space investments are needed and have been programmed into the City's aggressive Five-Year Capital Improvements Plan (5-Year CIP). To accomplish those planned future capital expenditures, the budget maintains the City's conservative approach of setting aside reserve funds to be utilized as a future offset. The additional revenues generated by the increased ad valorem base will allow the City of Auburndale to maintain the lowest operating millage rate in Polk County, while at the same time continuing a high level of customer service and quality of life for our citizens and businesses.

The General Fund proposed budget for FY 2024 includes \$128,211 of reserve funding as revenue coming into the budget from monies set aside in previous budget years to complete various projects. In addition, \$1,220,000 of reserve funding is allocated as an expense, or reserve funding to complete various projects in the future. A large of portion of the reserve funding being set aside are for future park improvements, a new Public Works Building, and a future fire apparatus.

# City Manager's Letter

*Left: Municipal Services Building    Top-right: Police Department cruiser    Bottom-right: Public Works claw truck*

The largest General Fund expenditures within the various departments in FY 2024 include renovation of the Municipal Services Building at 6 Bobby Green Plaza for \$850,000, street and cemetery road resurfacing totaling \$500,000, the purchase of eight (8) new vehicles in the Police Department at \$431,641, and a new claw truck at \$200,000 to accommodate the growth in residential brush/debris collection.

Planned across FY 2024 & FY 2025 is the redevelopment of Lake Ariana Park, including the construction of a new Civic Center estimated at a total cost of approximately \$17,000,000 with \$3,500,000 in funding from the Community Redevelopment Agency (CRA) and \$2,000,000 in General Fund monies.

*Aerial view of Lake Ariana Park, the location of the new Civic Center.*

# City Manager's Letter

## COMMUNITY REDEVELOPMENT AGENCY FUND

The Auburndale Community Redevelopment Agency (CRA) was created in February, 1992. The CRA was created to develop and implement a Community Redevelopment Plan to redevelop, rehabilitate, and conserve its Community Redevelopment Agency district. The time certain for completing the planned projects of the CRA Plan was twenty (20) years, or through 2012. Florida Statutes were amended in 2002 to allow extension of the term. The Auburndale Community Redevelopment Agency Board voted in May 2005 to amend the Plan to extend the time certain to complete all redevelopment financed by increment revenues to thirty (30) years from adoption of the amendment, or through 2035.

The CRA Fund also benefits from increased activities and increased property values within the CRA District. The Community Redevelopment Agency Fund proposed budget is balanced at \$4,409,611. The proposed budgets allocate \$1,184,185 in new increment funding from Polk County and \$725,326 from the City of Auburndale.

The Proposed Biennial Budget provides \$2,500,000 in FY 2024 for the design and construction of a new Civic Center at Lake Ariana Park and \$500,000 in reserve funding for the design of new streetscaping on Main Street in FY 2025.

The Community Redevelopment Agency Board gave approval to the proposed CRA Budget on May 15, 2023.

# City Manager's Letter

## **PUBLIC UTILITIES FUND (ENTERPRISE FUND)**

The Public Utilities Fund accounts for the activities associated with providing potable water and sewer collection, treatment, and disposal services to area residents and businesses. The Public Utilities Fund derives its revenue from fees collected to address the operating and capital needs of our municipal utility services and to maintain the financial stability of the system.

The Public Utilities Fund proposed budget is \$36,715,171 not including the inter-fund transfer to the City's General Fund, needed for balancing. The inter-fund transfer proposed in the FY 2024 Budget is \$3,507,945.

In May 2023, the City completed the Regional Wastewater Treatment Plant Service Area Evaluation. Several large-scale capital sewer system improvements were identified to allow for future development in Auburndale and have been included in the City's Five-Year Public Utilities Capital Improvement Plan. The largest expenditures within the Public Utilities Department in FY 2024 are \$5,525,000 for the design and construction of the Gapway Force Main, \$5,000,000 for the design and construction of the Pace Road Master Lift Station, \$2,800,000 for the design and construction of the Southern Force Main, \$2,800,000 for the design and construction of the Northern Force Main, \$2,210,000 remaining to complete the Berkley Road Water Plant Expansion, and \$1,800,000 to begin construction of the Hickory Road Sprayfield to add additional discharge capacity of effluent wastewater.

# City Manager's Letter

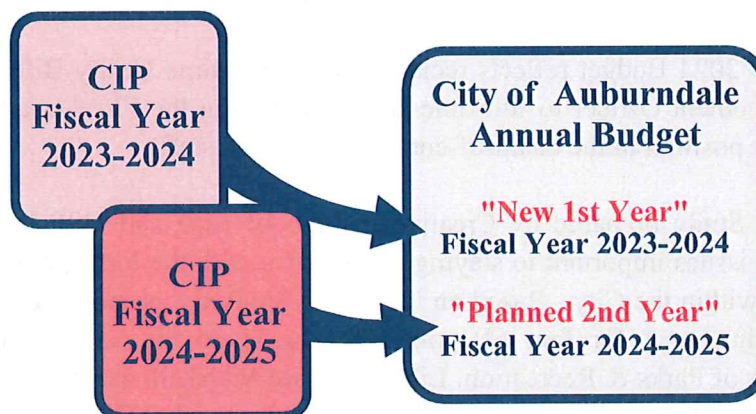

## GENERAL IMPACT FEE AND PUBLIC UTILITY IMPACT FEE FUNDS

The General Fund Impact Fee Fund is projected in FY 2024 to generate \$321,750 in Fire Impact Fees, \$174,600 in Police Impact Fees, and \$398,475 in Recreation Impact Fees. These dollars are used to offset eligible expenses in each of these departments, or placed in reserves for future expenses.

The Public Utility Impact Fee Fund is projected in FY 2024 to generate \$997,650 in Water Impact Fees, \$1,916,100 in Sewer Impact Fees, and \$23,000 in Fire Sprinkler Impact Fees. These dollars are all used to help offset and pay debt service.

## FIVE-YEAR CAPITAL IMPROVEMENT PLAN

One of the more important and underlying reasons for the two-year budget process is that City Staff and the City Commission can give more attention to future community needs and to look at how resources will be allocated to meet those needs. One of the tools used to meet this need is integrating the two-year budget process with the Five-Year Capital Improvement Plan (CIP). This allows for the blending of the City's more aggressive planning process with a more stable and consistent budget process.

In the same Ordinance that the City Commission will adopt the Biennial Budget, the Commission will also be adopting a revised Five-Year Capital Improvement Plan. The City of Auburndale maintains an aggressive capital improvement program targeted to improve aging or inadequate infrastructure, redevelopment needs, and for enhanced recreation facilities. Many of the projects in the City's Five-Year CIP are multi-year programs that begin in one year and continue construction, or completion into future fiscal years.

All projects in the first two years of the CIP are incorporated into the proposed Biennial Budget.

# City Manager's Letter

## PERSONNEL IMPACTS

The Payroll Section of the Budget provides the necessary funding for staffing levels to adequately deliver an accepted level of service to our citizens. In addition to salaries, the Payroll Section provides incentive funding for certifications and education, longevity pay, and automatic adjustments for employees completing the one-year probationary period and completing four, six, and eight years of service. The proposed budgets provide a 3% cost of living adjustment (COLA) for all City employees in FY 2024 and no COLA in FY 2025.

The proposed FY 2024 Budget operates with a staffing level of 207 full and part-time employees, an increase of nine (9) full-time employees. The proposed positions include:

- . 2 – Fire Department: Firefighters
- . 2 – Police Department: Police Officers
- . 1 – Police Department: Support Services Clerk
- . 1 – Public Works: Service Worker III (Sanitation – Claw Truck Driver)
- . 1 – Parks & Recreation: Service Worker II (Event Lake – Lake Myrtle)
- . 1 – Public Utilities: Service Worker III (Lift Station Technician)
- . 1 – Public Utilities: Service Worker II (Regional WWTP)

The proposed FY 2024 Budget reflects reclassifying a part-time Utility Billing Clerk and part-time Code Enforcement Officer to full-time and restructuring the Fire Department to include a Shift Commander position in the chain-of-command for each shift.

The 2023 Salary Study prepared by Creative Insights of Lutz and USF Professor John Daly identified several issues important to staying competitive with the local job market particular to certain positions within the City. Based on the Salary Study the proposed FY 2024 Budget also reflects a pay adjustment for four (4) employees based on the Salary Study including the Assistant Director of Parks & Recreation, Librarian, Fire Marshall, and Recreation Supervisor at the Community Center as well as grade adjustments to the Code Enforcement Officer, Accreditation Manager, and Administrative Assistant positions.

# City Manager's Letter

The conceptual FY 2025 Budget proposes an increase of seven (7) full-time employees. The proposed positions include:

- . 2 – Fire Department: Firefighters
- . 1 – Police Department: Sergeant (Detectives)
- . 2 – Police Department: Police Officers
- . 2 – Public Utilities: Service Worker II (Water Distribution & Lift Stations)

Total payroll including FICA and miscellaneous certificate and education pay in FY 2023-2024 equals \$12.36 million dollars.

During the planning process of the two-year budget, City Staff projects a 10% increase in health insurance premium costs for each year. The City was recently notified that due to claim history over the past year, a 4.9% increase will take effect in FY 2024. Total health insurance costs in FY 2024 are projected at \$1,963,459.

*Regional Wastewater Service Worker taking samples.*

*Police Department active shooter training.*

# City Manager's Letter

## CONCLUSION

As noted in budget discussions, planning for future growth has taken precedence throughout all of the City Departments moving forward with the understanding that additional service demands will be required. However, the Budget is estimated conservatively as growth indicators have flattened year-over-year. The City has completed the Regional Wastewater Treatment Plant Service Area Evaluation identifying several large-scale capital sewer system improvements needed for future development in Auburndale. Those large-scale capital sewer projects as well as the Civic Center relocation to Lake Ariana Park have been included in the Budget. Future large capital improvements such as the construction of a North Auburndale Fire Station, the purchase of additional cemetery space, continued development of the facilities at Lake Myrtle, and the construction of a passive park on Lake Mattie are on the horizon to accommodate the additional demands as we continue to create improvements in providing services, amenities, and an exceptional quality of life for our residents and businesses.

It is my pleasure to present to you the City of Auburndale spending plan for the next two years. I would like to thank all the City employees for the outstanding job they do everyday. My special thanks to the Department Directors and Division Heads for maintaining and improving the level of service delivery year after year while holding total expenditures in check with projected revenues. I would also like to thank the City Commission for the honor of serving as the City Manager for the City of Auburndale.

Respectfully submitted,

A handwritten signature in blue ink, reading "Jeffrey E. Tillman".

Jeffrey E. Tillman  
City Manager
